Subject: Land Transport NZ Launch Latest Use Vehicle Safety Ratings

Latest Used Car Safety Ratings

Dear Malcolm,

Land Transport New Zealand has launched the 2007 "Used Car Safety Rating" booklet.

The ratings in this booklet are developed by analysis of crash data by Monash University, Melbourne, Australia.

You may like to use this booklet as a marketing tool.

Click here to view the booklet or go to:-
<http://www.landtransport.govt.nz/vehicles/used-cars/2007-buyers-guide.pdf>
