## ***Drivers' Licences***

Dear <<firstname>>,

Drivers' licences have been given a new look - licences expire 10 years after issue.

Check the drivers licences of customers taking test drives:

- Check that the licence is current.
- Check the address given is current.

***Also check your own and staff licences for expiry date.***

NB: if you have changed your address since your licence was issued you may not receive a renewal notice.

***To protect yourself you should have all customers taking vehicles for test-drives sign a register, legally authorising them to use a vehicle on trade plates.***

This IMVDA form meets the legal requirement, protects you from traffic tickets and insurance excess payments. [Click here](#) to view a copy.

Books of these can be can be ordered on line at [www.imvda.co.nz](http://www.imvda.co.nz) using the order form in the members area drop-down menu.
